F-1 HYBRID PETUNIAS

For delivery about September 15, 1959
ARE YOU INTERESTED IN KEEPING COSTS DOWN AND STILL GROW THE FINEST F-1 PETUNIAS? Of course you are. The fact that so many of our customers year after year increase their orders for our F-1 Petunias is clear indication of it. They are satisfied with the excellent germination we maintain and their customers prize these F-1 Petunias in their gardens. Under no other conditions could our business increase nor could we attract so many new customers every year.
 Like most other items in our catalog, the following F-1 Petunias are yours at material savings in costs. We can rightfully glorify them with superlatives, but that would do only half a job.
 You try them, and you will use the superlatives and buy greater quantities every year.
